THE UNDERSTANDING OF LIBERTARIANISM

Keywords: libertarianism, liberalism, minimal state, Carl Menger, Murray Rothbard, David Nolan

This scientific article treats of libertarianism. This school of political thought is based on methodological individualism, methodological subjectivism, anti-empiricism, apriorism. Libertarian philosophers demand almost absolute freedom in every area of life and that is why they are at the opposite pole to all totalitarian ideologies. The greatest influence on the understanding of libertarianism had Carl Menger, Murray Rothbard and David Nolan.
